Receipt

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant : Kiyonori SEKIGUCHI

Confirmation No. : 9411

Appl. No. : 09/765,394

ATTN: Office of Initial Patent

Filed : January 22, 2001

Examination's
Customer Service Center

For : APPARATUS AND METHOD FOR REMOTELY OPERATING A
PLURALITY OF INFORMATION DEVICES CONNECTED TO A
NETWORK PROVIDED WITH PLUG-AND-PLAY FUNCTION

REQUEST FOR CORRECTION OF FILING RECEIPT

U.S. Patent and Trademark Office
220 20th Street S.
Customer Window, Mail Stop _____
Crystal Plaza Two, Lobby, Room 1B03
Arlington, VA 22202

Sir :

The title of the above-identified application, as it appears on the Official Filing Receipt, is incorrect. The title should read **APPARATUS AND METHOD FOR REMOTELY OPERATING A PLURALITY OF INFORMATION DEVICES CONNECTED TO A NETWORK PROVIDED WITH PLUG-AND-PLAY FUNCTION**, not APPARATUS AND METHOD FOR REMOTELY OPERATING PLURALITY OF INFORMATION DEVICES CONNECTED TO A NETWORK PROVIDED WITH PLUG-AND-PLAY FUNCTION as it appears on the Filing Receipt.

Attached, please find a copy of the incorrect Official Filing Receipt with the requested change noted thereon.

Please correct the title of the above-identified application to read as follows:

**APPARATUS AND METHOD FOR REMOTELY OPERATING A PLURALITY
OF INFORMATION DEVICES CONNECTED TO A NETWORK PROVIDED
WITH PLUG-AND-PLAY FUNCTION**

instead of:

**APPARATUS AND METHOD FOR REMOTELY OPERATING PLURALITY OF
INFORMATION DEVICES CONNECTED TO A NETWORK PROVIDED WITH
PLUG-AND-PLAY FUNCTION**

and forward a corrected copy of the Filing Receipt to the undersigned.

No fee is believed to be due for this correction as the error was not caused by the Applicants. The title of the invention was correct on the Declaration that was filed for the above-identified application.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed number.

Respectfully Submitted,
Kiyonori SEKIGUCHI

Date Mailed: 03/01/2001

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the PTO processes the reply to the Notice, the PTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

Title

Apparatus and method for remotely operating plurality of information devices connected to a network provided with plug-and-play function

Preliminary Class

370

Data entry by : RIMANDO, EMELITA

Team : OIPE

Date: 03/01/2001

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 36 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15 (b).

PLEASE NOTE the following information about the Filing Receipt:

- The articles such as "a," "an" and "the" are not included as the first words in the title of an application. They are considered to be unnecessary to the understanding of the title.
- The words "new," "improved," "improvements in" or "relating to" are not included as first words in the title of an application because a patent application, by nature, is a new idea or improvement.
- The title may be truncated if it consists of more than 600 characters (letters and spaces combined).
- The docket number allows a maximum of 25 characters.
- If your application was submitted under 37 CFR 1.10, your filing date should be the "date in" found on the Express Mail label. If there is a discrepancy, you should submit a request for a corrected Filing Receipt along with a copy of the Express Mail label showing the "date in."
- The title is recorded in sentence case.

Any corrections that may need to be done to your Filing Receipt should be directed to:
